Welcome to my.delaware.gov!	Sign In
Delaware is improving security, transitioning from each system requiring its own username and password to having a new single authentication method. Your single ID validates who you are to the different state systems and applications. When you login, you will see a single view with your applications access. The new intelligent solution leverages modern technologies like artificial intelligence (AI) to secure citizen accounts and state resources, requiring additional validations that only you will have.	Email Password Remember me
For best experience, please use a recent version of Apple <b>Safari</b> , Mozilla Fi <b>refox</b> , Google <b>Chrome</b> or Microsoft <b>Edge</b> browser.	Sign In
Secure access to all state resources	Need help signing in?
Single account to access applications	Don't have an account? Sign up

4. Enter the Email and Password you previously registered and click on the Sign In button.

5. You will see a Multi Factor Authentication page similar to the one below
